WPEDO's free medical and aid center Dr. Abdul Alim who is seen attending less privileged patients

Satellite based free primary school for the poor and homeless children

Dr. Masuma Akter PhD is checking the patient.

Very risky work by child labour

Assistance to children and mother: From the very beginning of the organization we are providing assistance in terms of food, clothing, education materials etc for the children living in orphanages in different poor countries. Similar kind of assistance is also being provided for the street children, the children who are involved in worst form child labor in risky jobs. We formed a banner: **Save the children WPEDO:**

Children and mother have quality of food, Children have education, Children have equal opportunity, Children have rights & hope etc.

WPEDO has raised its voice against cruelty towards the children, forcibly employment of child labor, forcibly engaging the under aged girls in prostitution and many other from child rights violation.

Under this program intervention more than 50,00,000 children were brought under the services of WPEDO in its 26+ years of services for the poor and vulnerable children nationally and internationally.

There are also primary education, satellite education, mobile education (covered vehicle with teacher, black board they move hither and thither to teach people & children etc.), food for education, clothing's, free medical & medicine from specific center and mobile system, relief etc.

Medical assistance for the poor: The organization has been carrying out the services for medical assistance for the poor people since 1981. In this program a group of highly qualified renowned national & international physicians and professors of different countries are working voluntarily with WPEDO. Under this program free medical service has been provided in terms of checkup, advices, and distribution of free medicine, free clinical services, free treatment and free rehabilitation of the orphan & disable (new born baby to adult) people. WPEDO has also undertaken health awareness program in the slum areas of the metropolitan cities as well as in the rural areas. Program of health services for the poor people is one of the largest program activities of the WPEDO. We also working for the awareness building against HIV/AIDS.

The Organization has also created the services of satellite clinic in slum areas of the capital city as well in the rural area. WPEDO has also undertaken health awareness program in the slum area of the metropolitan cities as well as in the rural areas nationally & internationally. We have already planned to electrify the remote areas by solar system. We also have taken multi projects among the coastal areas for the shelter of distressed people.

Emergency relief and rehabilitating for flood, cyclone, winter and natural disaster (from 1984 till date): WPEDO has responded with emergency relief material like cooked and dry food, medicine, drinkable water, and clothing during flood, cyclone and natural disaster in the year 1984, 1987, 1988, 1991, 1998, 2007 & 2010. The organization has also provided financial assistance to the affected people for rebuilding their house and for their economic rehabilitation internationally. During severe cold warm clothes have been distributed among the poor people specially among children and elderly people who become much vulnerable during the winter season in the city slum areas and also in the rural areas internationally.

Women's Rights (since 1981): Awareness raising and motivation session were carried out regarding women's rights. In this session the organization peruse the establishment of women for human rights. In the male dominated society women were encouraged to come forward in all activities to prove their ability, side by the male counter part were motivate to give a fare chance to them. Vulnerable poor women who became the victim of social injustice like dowry, separation, physically assaulted by husband, rape and sexual harassment were provided with free counseling and legal aid. Illiteracy stands as a major barrier toward awareness, which is a key factor in achieving women right. Adult literacy program has been undertaken for these poor women to free them from illiteracy and enhance their awareness level.

THEY ARE PROTESTING FOR WOMEN'S RIGHTS

Environment protection (since 1981 to date): Environment movement to save the world from environment degradation, dumping of chemical wastage and adversity of green house effect. Environment is another issue for which the organization has shown much concerned under taken awareness building activities in different stages to motivate the various stake holders linked with the issue, beginning from the poor people to the owner of large industries, brick field, municipal authority and so on. WPEDO has hold workshops, seminars, conferences and organized realizing different stages to raise public awareness in this regard.

Anti Civil War, International Anti Terrorism & Anti Nuclear Weapons: WPEDO has organized and held workshop, seminar and conference on anti civil war, international anti terrorism, anti nuclear weapons in the national and international level, where joint efforts have been made to raise the voices against the forces and the various circle responsible for harboring civil war, terrorism, nuclear armament and maneuvering.

DEMONSTRATION AGAINST WAR CRIMINALS (1ST WORLD WAR TO PRESENT) IS ALSO AN AGENDA OF THE SEVEN AIMS AND OBJECTIVES OF WPEDO. THE DEMONSTRATION WERE LEAD BY MRS. REHANA CHOWDHURY, EXECUTIVE VICE CHAIRMAN / ACTING PRESIDENT, WPEDO

In the above all concerns WPEDO is organizing different seminars, symposiums, rallies, publications, news conferences etc. nationally and internationally.

Members: There are different countries former President, Prime Ministers, Ministers, Member of Parliament, Technocrats/ Bureaucrats, High Officials, Layers (Legal) and eminent persons is our Organization member.

Funding involvement: WPEDO did not seek any financial support from the local authority or any other donor/donor agencies (National / International) for its activities in the national or international level. We are performing the above works from 1981 without any financial support of anyone. We are working with head of the branches (abroad) is performing the works from their own resources. But now it's very hard to work with the limited resources. If we get more resources from any donor agencies we can do good to the human race of the world. So we have changed our mind to work receiving donations from foreign / local source to work sound and smoothly. We have also determined to work with joint collaboration for humanity.

Governance and management: WPEDO has two management bodies; the General Committee (GC) and the Executive Committee (EC). The General Committee consists of more than 500 members from home and abroad. The supreme governing authority of the Organization is vested with the general committee. The members of the General Committee elect The Executive Committee in an election process in its Annual General Meeting for a period of two years term. The Executive committee consists of 51 members and is headed by the Founder Chairman / President of the Organization. The Executive Committee is responsible for the overall management aspect of the Organization. The Executive Committee prepares short term and long-term development plan for its activities in the local and international networking area. The Executive Committee prepares report on the overall performance of the Organization. With the endorsement of the Founder Chairman / President of WPEDO the report is placed to the General Committee in the Annual General Meeting, AGM takes place once in a year. All the General Committee members including the Executive Committee Members participate in this meeting. In addition to this, the General Committee arranges a half- yearly meeting to review the progress of the program activities. The Executive Committee meets quarterly basis in every year, this committee can arrange emergency meeting on emergency basis at any time in the year as and when needed. The problems and issues as regards the on going program activities are discussed in this meeting and necessary recommendations are suggested to solve the operational problems of the Organization. In order to share expert view and suggestion for the on going development activities the Executive Committee can appoint advisors from the General Committee Members. WPEDO has 7 members Advisory Committee internationally. They use to play key role in project planning by sharing their expertise in related field. The Executive Committee appoints this committee. Their responsibility is to advise the Executive Committee and the General Committee in special situation to make their recommendation to dissolve critical problems in the operational process of the Organization.

Project Management:

Mrs. Rehana Chowdhury, Executive Vice Chairman / Acting President plays most vital role in the planning of the development program. She is directly responsible for the overall management and implementation of all the development projects undertaken by the Organization.
